“Process Troubleshooting”

Norm Lieberman

September 24-26, 2018

Seminar Hours:

Breakfast: 7:30 am
Mon. Sept. 24: 8am-5pm
Tues. Sept. 25: 8am-5pm
Wed. Sept. 26: 8am-5pm

Location:

Lamar University
University Event Center
Mary and John Gray Library, 8th Floor

Course Description:

This is a three-day course which features a mixture of technical knowledge in process plant equipment & operation that is taught by using real life examples learned by the speakers. Human interaction and gathering of first hand field data is one of the key principles taught by this course.

Day One: Distillation

Day Two: Heat Transfer

Day Three: Rotating Equipment

Seating limited to 30

Cost: \$1,500.00 for Partnership members (4 per company, until August 13, 2018)
\$1,750.00 for non-members (can pre-register starting August 13, 2018)

All prices include breakfast and lunch for 3 days plus a copy of course material for the Process Troubleshooting course.

Pre-Register Online for upcoming seminars
